

Ikebana International
Johannesburg Chapter No. 110

Dear Ikebana Friends

The members of the Johannesburg Chapter of Ikebana International take pleasure in inviting you to attend and share the 40th Anniversary Celebration with us in March 2008. This will be an Ikebana event which will be remembered for years to come, and we know you will be interested in attending. Attached is a copy of the programme of events for the weekend.

The theme will be an ' Ikebana Indaba ', and our main aim will be the bringing together of a group of Ikebana enthusiasts to share in the advancement and fellowship of the Art Form and to extend the bridges of both national and international friendship.

We are very excited to have Naohiro Kasuya, the Iemoto Designate of the Ichiyo School of Ikebana as the headliner of our programme. The programme will also feature Jennie Sterling of the Sogetsu School of Ikebana, and Danielle Crafford of the O Hara School of Ikebana, workshops with the demonstrators, a large invitational Ikebana Exhibition, a bazaar, raffles, fun, competitions, auctions and other surprises.

Sounds GREAT !! How about coming to join us? We would love to have you. Please return your registration form as soon as possible. We look forward to sharing a great Ikebana experience with you.

Sincerely

Derry Ralph and Marilyn Gianadda

President and Co-ordinator
